Introduction & Description of Delegate Selection Process

A. Introduction

1. Hawai'i is allotted 31 delegates and 2 alternates. *(Call I & Appendix B)*
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2024 Democratic National Convention* ("Rules"), the *Call for the 2024 Democratic National Convention* ("Call"), the *Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention* ("Regs."), the Bylaws of the Democratic Party of Hawai'i, the Hawai'i election code, and this Delegate Selection Plan. *(Call II.A)*
3. Following the State Central Committee's adoption of this Delegate Selection Plan, the Democratic Party of Hawai'i shall submit the Plan for review and approval by the Democratic National Committee (DNC) Rules and Bylaws Committee ("RBC"). The State Chair of the Democratic Party of Hawai'i shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the State Chair of the Democratic Party of Hawai'i and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC's findings. *(Reg. 2.5, Reg. 2.6 & Reg. 2.7)*
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the Democratic Party of Hawai'i must be submitted to and approved by the RBC before it becomes effective. *(Reg. 2.9)*

B. Description of Delegate Selection Process

1. Hawai'i will use a proportional representation system based on the results of the Party-run Primary for apportioning delegates to the 2024 Democratic National Convention.
2. The "first determining step" of Hawai'i's delegate selection process will occur on Saturday, April 6, 2024, with a Party-run Primary. Vote-by-mail balloting with ranked

Hawai'i 2024 Delegate Selection Plan

C. Voter Participation

1. Participation in the state's delegate selection process is open to all voters who wish to participate as Democrats and who are enrolled in the Democratic Party of Hawai'i. (*Rule 2.A and Rule 2.C.*)

a. Registration deadlines to vote/participate in the first determining step of the delegate selection process are as follows:

(1) The first mailing of ballots to Democratic Party of Hawai'i members will take place on or about Tuesday, March 5, 2024. In order to receive a mail ballot in the first mailing, a Hawai'i voter must be enrolled with the Democratic Party of Hawai'i by 11:59 PM HST on Tuesday, February 20, 2024. However, to verify that you're a registered voter in Hawai'i, you must input your residential address. Being verified as a registered voter is a prerequisite for members to fully participate in Party activities, including to vote in the Democratic primary for President of the United States of America.

- (4) Voting in all Democratic Party of Hawai'i elections, including the delegate selection process requires membership in the Democratic Party of Hawai'i and proof of State of Hawai'i voter registration. If the member is unable to provide proof of voter registration, the member shall complete and sign a voter registration form in the presence of a designated Party official. Individuals not registered to vote or who are ineligible to vote in the State of Hawai'i may become non-voting "associate" members of the Democratic Party of Hawai'i. *(Rule 2.A, Reg. 4.3.A & DPH Bylaws Art.I, Sec.1)*
 - a. Per the Democratic Party of Hawai'i *Bylaws*, Article I, Section 1, the following persons are eligible to become members of the Democratic Party of Hawai'i:

Hawai'i 2024 Delegate Selection Plan

- i. Individuals who, at the time of application, are registered to vote in the State of Hawai'i may become voting members of the Democratic Party of Hawai'i; or
 - ii. Individuals who, at the time of application, are eligible but not registered to vote in the state of Hawai'i may become non-voting associate members of the Democratic Party of Hawai'i, and upon registration to vote in the State of Hawai'i, shall become voting members of the Democratic Party of Hawai'i; or
 - iii. Individuals who, at the time of application, are not eligible to register to vote in the State of Hawai'i may become non-voting associate members of the Democratic Party of Hawai'i. If eligibility to register to vote in the State of Hawai'i is later attained and the individual duly registers to vote, then the individual shall become a voting member of the Democratic Party of Hawai'i. Information provided by the applicant shall be recorded electronically and shall be available for appropriate Party uses.
- c. To encourage participation by youth in the delegate selection process, every person who qualifies and reaches the age of 16 may pre-register to vote and will automatically be registered upon reaching 18 years of age. Every person who qualifies and has reached the age of 17 may register and may participate if that person will be 18 years of age on or before Tuesday, November 5, 2024. That person's name shall be placed on the appropriate county general register and precinct list. (*Hawai'i Revised Statutes (HRS) §11-12) (Reg. 4.3.C)*
- d. At no stage of Hawai'i's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. The Democratic Party of Hawai'i's vote-by-mail process will include a postage paid return envelope. The Democratic Party of Hawai'i does periodically make requests for voluntary membership dues and other various fundraising communications of members to support state and county committees. No contribution is a requirement for membership in the Democratic Party of Hawai'i. (*Rule 2.D & Reg. 4.4)*
- e. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. (*Rule 2.E)*

Hawai'i 2024 Delegate Selection Plan

- f. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate selection process and in which all individual voters who wish to participate as members of the Democratic Party of Hawai'i are eligible to do so. Both the vote-by-mail and same-day, in-person voting will be conducted by secret ballot, but for security reasons, not anonymous. *(Rule 2.F)*
 - g. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. Voters who show up at in person Party-run Presidential Primary polling sites indicating they have not voted but are listed as having voted will be given the opportunity to view the record of receipt of their vote but will not be allowed to vote a second time. *(Rule 3.E & Reg. 4.7)*
2. The Democratic Party of Hawai'i has taken steps to seek enactment of legislation, rules, and policies at the state and local level to enhance voter and election security and combat election subversion, to accomplish the following goals:
 - a. As the State of Hawai'i Office of Elections and the county clerk's offices do not conduct party registration during voter registration, the Democratic Party of Hawai'i obtains the State of Hawai'i voter file regularly. The Party staff and DNC voter team work to merge the data with the Party membership database. Party enrollment is maintained by the Party using VoteBuilder and the cyber security systems that the DNC has incorporated therein. The State of Hawai'i has invested in cybersecurity systems to ensure that voter records are not vulnerable to digital theft in order to maintain secure state voter registration rolls. These efforts secure and protect Hawai'i voter personal information; *(Rule 2.H.1)*
 - b. The Democratic Party of Hawai'i holds a Party-run Presidential Primary. The voter rolls for this process are registered voters of the State of Hawai'i who are enrolled with the Democratic Party of Hawai'i. The Democratic Party of Hawai'i does not remove any member from the membership rolls unless the member resigns via a written communication or is marked deceased with a valid public obituary in the case of death. Additionally, the Democratic Party of Hawai'i offers same day registration and enrollment through the Party-run Presidential Process; *(Rule 2.H.2)*
 - c. The Democratic Party of Hawai'i will assure that the selected election contractor (replaced with vendor name after RPF responses and selection) will use maintained and up-to-date systems and will meet with the DNC security team should they request to participate in the approval; *(Rule 2.H.3)*

Hawai'i 2024 Delegate Selection Plan

- d. The Democratic Party of Hawai'i through the selected election contractor (replaced with vendor name after RFP responses and selection), will ensure that any direct recording electronic systems in place also have a voter verifiable paper record; *(Rule 2.H.4)*
- e. The Democratic Party of Hawai'i will require the selected election contractor (replaced with vendor name after RFP responses and selection) perform two (2) logic and accuracy tests prior to the election scanning to implement risk limiting post-election manual audits comparing paper records to electronic records. One (1) logic and accuracy test will be completed well in advance for members to participate in and observe, and one (1) will be conducted just before counting commences where volunteer members and presidential campaign representatives may observe. This is the same procedure we used in 2020.; *(Rule 2.H.5)*
- f. The Democratic Party of Hawai'i will assure that the selected election contractor (replaced with vendor name after RFP responses and selection) will use voting systems which have recognized security measures and will meet with the DNC security team should they request to participate in the approval; *(Rule 2.H.6)*
- g. The Democratic Party of Hawai'i will assure that the selected election contractor (replaced with vendor name after RFP responses and selection) will use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately, with votes verifiable by voters; *(Rule 2.H.7)*
- h. The Democratic Party of Hawai'i will provide educational materials to enhance public knowledge and confidence in election administration by creating and circulating information about the logic and accuracy test done prior to the election scanning. To counter disinformation, the Democratic Party of Hawai'i will record the logic and accuracy test and place the paper records and electronic records on the Party website hawaiidemocrats.org for comparison; *(Rule 2.H.8)*
 - i. The Democratic Party of Hawai'i advocates for fair and honest election policies; and *(Rule 2.H.9)*
 - j. The Democratic Party of Hawai'i this year has advocated for increased election funding for state and local election administration. *(Rule 2.H.10)*

Hawai'i 2024 Delegate Selection Plan

3. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process, the Democratic Party of Hawai'i will assure the following:
(Rule 2.1 and 2.1.1)
 - a. In 2024, just as in 2020, the Democratic Party of Hawai'i will be using vote-by-mail with ranked choice voting for all members who are enrolled by 11:59 PM HST Wednesday, March 6, 2024. Democratic Party of Hawai'i members who are enrolled by Tuesday, February 20, 2024, will receive ballots in the mail on or about Tuesday, March 5, 2024, and those enrolled from the first deadline through 11:59 PM HST Wednesday, March 6th, will receive a ballot on or about Monday, March 18, 2024. Ballots must be received by 3:00 PM HST Saturday, April 6, 2024, which is the same time in person voting will conclude. Same-day voter registration and in person voting will occur on Saturday, April 6, 2024 between 7 AM and 3 PM HST at approximately 15 locations throughout the state. Democratic Party of Hawai'i members with mailed ballots will also have an opportunity to walk in their ballots to in person polling locations; *(Rule 2.1.1.a)*
 - b. For same-day enrollment, registration, and in person voting on Saturday, April 6, 2024, locations will be at public schools, community centers, and other locations that are A.D.A. accessible. Since the majority of members will have the opportunity to vote-by-mail, numbers will be significantly less for in person voting than in prior in person only caucus years. There will be approximately 15 locations situated across the state that will be open from 7:00 AM – 3:00 PM HST. Democratic Party of Hawai'i members can access any location that is convenient to them rather than be assigned to a specific location. The voting locations, start and stop times for balloting, and requirements for voting will be advertised well in advance of Saturday, April 6, 2024. Only those participants who are waiting in line at 3:00 PM HST will be allowed to vote beyond the stop time. Voting will be by paper ballot; *(Rule 2.1.1.b)*
 - c. The decision to institute vote-by-mail with ranked choice voting for the Hawai'i 2024 Party-run Presidential Primary was the result of a study conducted after the 2016 Presidential Preference Poll and the successes of the 2020 Party-run Presidential Primary. The major criticisms of the 2016 Presidential Preference Poll were the execution of the voting process, excessively long lines, and wait time. The vote-by-mail process in 2020 addressed all of these criticisms and the Democratic Party of Hawai'i will implement the same plan as 2020 again in 2024; *(Rule 2.1.1.c)*
 - d. Membership in the Democratic Party of Hawai'i requires valid registration as a voter in the State of Hawai'i. Membership in the Party is regularly cross-referenced with the Hawai'i Office of Elections voter files obtained

Hawai'i 2024 Delegate Selection Plan

through each County Clerk. During the voting process, voter signatures are required, but no other validation is required; *(Rule 2.1.1.d)*

- e. Vote-by-mail and access to same-day, in person polling locations will facilitate access to voting. Since members can access any polling location, they can vote wherever it is convenient. Their vote for the selection of the Democratic nominee for President of the United States will be included and counted in the final ballot count; and *(Rule 2.1.1.e)*
 - f. Democratic Party of Hawai'i members who are in the military and who live overseas will have the opportunity to participate in the Party-run Presidential Primary through vote-by-mail. *(Rule 2.1.1.f)*
4. Participation in the delegate selection process by registered voters who are enrolled members of the Democratic Party of Hawai'i shall be encouraged through:
(Rule 2.1.2)
- a. Both State of Hawai'i voter registration and Democratic Party of Hawai'i enrollment is available online:
 - Voter registration: olvr.hawaii.gov
 - Democratic Party of Hawai'i enrollment: hawaiidemocrats.org/joinHawai'i residents may also register to vote and enroll with the Democratic Party of Hawai'i on the Party-run Presidential Primary day; Saturday, April 6, 2024;
(Rule 2.1.2.a)
 - b. Every person who qualifies and reaches the age of 16 may pre-register and will automatically be registered upon reaching 18 years of age. Every person who qualifies and has reached the age of 17 may register to vote and may participate if they will be 18 years of age on or before Tuesday, November 5, 2024. Their names shall be placed on the appropriate county general register and precinct list; *(Hawai'i Revised Statutes (HRS) §11-12) (Rule 2.1.2.b)*
 - c. Voting rights for all people who have served time for their criminal conviction, will be restored without requiring the payment of court fees or fines. Except as otherwise provided by law, a person convicted of a crime does not suffer civil death or corruption of blood or sustain loss of civil rights or forfeiture of estate or property, but retains all of the person's rights, political, personal, civil, and otherwise, including the right to hold public office or employment, to vote, to hold, receive, and transfer property, to enter into contracts, to sue, and to be sued, and to hold offices of private trust in accordance with the law; *(Hawai'i Revised Statutes (HRS) §831-3) (Rule 2.1.2.c)*
 - d. Hawai'i residents may also register to vote and enroll with the Democratic Party of Hawai'i on the Party-run Presidential Primary day; Saturday, April 6, 2024;
(Rule 2.1.2.d)

Hawai'i 2024 Delegate Selection Plan

5. The Democratic Party of Hawai'i has pursued the possibility of State-run Presidential Primary elections in Hawai'i; this year there are several vehicles for a special election State-run Presidential Primary bills that are moving through the Hawai'i State Legislature. *(Rule 2.J and Rule 2.J.1)*

6. The Democratic Party of Hawai'i, in order to ensure an open and inclusive process and resist attempts at voter suppression and disenfranchisement, will conduct a Party-run Presidential Primary that incorporates vote-by-mail with ranked choice voting open to all Hawai'i voters who are enrolled as members by Wednesday, March 6, 2024. It will also provide approximately 15 in person voting locations across the state on Saturday, April 6, 2024 from 7:00 AM – 3:00 PM HST for participants who wish to turn in their ballots in person or who wish to register to vote and enroll in the Democratic Party of Hawai'i in order to vote in person for the Democratic nominee for President. This process will be widely publicized through public media, Hawai'i citizens will be encouraged to participate, and the Affirmative Action and Membership Committees will actively engage in community events and publicize in underserved communities to encourage participation. Since the Party must take full responsibility for a complex election process and plans to provide the most valid, trustworthy, and efficient process possible, the Party will assure the selected election contractor (replaced with vendor name after RFP responses and selection) will provide services that ensure a valid election. The combination of 100% access to voting by members, in person voting opportunities on the Party-run Presidential Primary day, and competent management of the voting process by the selected election contractor (replaced with vendor name after RFP responses and selection) will promote active participation by all Hawai'i Democrats. *(Rule 2.K)*
 - a. The Party will incorporate mechanisms with reasonable safeguards against error and fraud to vote early by mail by: *(Rule 2.K.1)*
 - (1) Working with the selected election contractor (replaced with vendor name after RFP responses and selection), the Party will design and develop a vote-by-mail package that includes: a copy-proof ballot, a ballot envelope, a return envelope, and an outer mail envelope complete with return postage indicia. Materials will be coded with member-specific identifiers.
 - (2) Participants will rank up to three (3) preferences on the ballot provided, then return their ballots.
 - (3) There will be two (2) postal boxes used for ballot return. Ballots returned by voters for the purpose of submitting their vote will go to the 1st of the two (2) post office boxes set up for ballot return. Ballots which are processed by the post office as undeliverable

Hawai'i 2024 Delegate Selection Plan

will be returned to the 2nd of the 2 post office boxes set up for ballot return. All envelopes will be scanned appropriately for database entry. All returned ballots will be safely kept and locked by the selected election contractor (replaced with vendor name after RFP responses and selection) through the last day and flight for return to O'ahu: Saturday, April 6, 2024 at 6:00 PM HST.

- (4) All return envelope scanning will be completed in order to produce an accurate account of returned ballots on a statewide database. This information will be installed on computers that will be transported by the selected election contractor (replaced with vendor name after RFP responses and selection) agent to the polling locations across the state. There, volunteers who have been trained by the selected election contractor (replaced with vendor name after RFP responses and selection) will be on hand to run the same-day, in person voting.
- (5) The ballots will be tallied via scanning machines provided by the selected election contractor (replaced with vendor name after RFP responses and selection) on each of the islands. After the vote on Saturday, April 6, 2024, the ballots will be transported by the selected election contractor (replaced with vendor name after RFP responses and selection) agent to the scanning site and counted with monitors and presidential campaign representatives on hand to witness the count.
- (6) At the conclusion of the Party-run Presidential Primary, the presidential preference rankings will be compiled by congressional district, then distributed according to voter's first choice ranking.
- (7) If any presidential candidate on the ballot has officially ended their candidacy at the time of the count, the voter's second choice will be tallied. If the voter's second choice preference is also invalid for the same reason, the voter's third choice will be tallied.
- (8) If any preference group has not met the viability threshold, then the presidential candidate with the lowest rank will be eliminated, and the rankings of each voter in that preference group will be redistributed to their second choice preference group. The preference group which is redistributed according to this rule is prohibited from receiving future rounds of distribution.

Hawai'i 2024 Delegate Selection Plan

- (9) After the first redistribution, preference group rankings will be recounted. If there remain any non-viable preference groups, the preference group with the lowest rank will be redistributed to the voter's next choice ranking that has not been eliminated. This will continue until which time only viable preference groups remain.
 - (10) When only viable groups remain, all ballots will be tallied by congressional district and statewide results will be reported for each viable presidential candidate.
 - (11) The viability threshold for a presidential preference group must be 15% of the total Party-run Presidential Primary votes by congressional district. If no candidate reaches the 15% threshold, the threshold will be half the percentage of the votes received by the front-runner.
 - (12) The congressional district and statewide count will be transmitted in person, by the selected election contractor (replaced with vendor name after RFP responses and selection) representative to the State Chair of the Democratic Party of Hawai'i, who will announce the results of the election.
- b. The Democratic Party of Hawai'i is committed to an aggressive fundraising program to raise necessary funds for the Party-run Presidential Primary. The estimated cost of this Plan is \$255,000; **[See Attachment C.1]** (*Rule 2.K.2*)
- (1) The Democratic Party of Hawai'i State Central Committee, in conjunction with the Party-run Presidential Primary Committee is responsible for raising the funding required to complete Party-run Presidential Primary; with half of the funding due by December 31, 2023.
 - (2) If these fundraising goals are not met, the Democratic Party of Hawai'i reserves the right to seek an alternative method of voting, including adjusting the Request for Proposals to downsize, or reduce the Plan to same-day in person polling locations only. Any such changes in method of voting shall be subject to approval by the Democratic Party of Hawai'i State Central Committee.
- c. The Democratic Party of Hawai'i will implement same-day voter registration and Democratic Party of Hawai'i enrollment at the polling locations. If a person chooses, they may change their party-affiliation at anytime including at the in person polling locations; (*Rule 2.K.3*)

Hawai'i 2024 Delegate Selection Plan

- d. After the final count, the results will be reported to the State Chair of the Democratic Party of Hawai'i, who will announce the statewide and congressional district level results for each presidential candidate based on the expression of preference by the voters at the first determining step of Hawai'i's Delegate Selection Plan; (*Rule 2.K.4*)
- e. The State Chair of the Democratic Party of Hawai'i shall be responsible for certifying the use of the DNC formula to allocate national delegates. This certification shall be locked in at the final expression of preference at the first determining step, as determined by Hawai'i's Delegate Selection Plan, subject to recount; (*Rule 2.K.5*)
- f. To ensure final expressions of preference as part of the presidential nominating process are securely preserved, the Democratic Party of Hawai'i Executive Director shall preserve and store all paper ballots for twelve (12) months; (*Rule 2.K.6*)
- g. A presidential candidate who requests a recount may file a petition to the Democratic Party of Hawai'i within four (4) days of Saturday, April 6, 2024. The State Chair of the Democratic Party of Hawai'i will reply within two (2) days to the presidential candidate's request with a statement of cost to be paid by the candidate for the recount. The presidential candidate will have three (3) days to respond before a recount occurs. The recount process will be outlined as follows: (*Rule 2.K.7*)
 - (1) In the event of a recount, ballots will be moved and counted at the tabulation center in Honolulu, the recount will be conducted by the selected election contractor (replaced with vendor name after RFP responses and selection).
 - (2) The recount will consist of an initial logic and accuracy test in front of the presidential campaign representative(s), Party officials/observers, and other stakeholders prior to tabulation. This test will demonstrate the machines are counting accurately and that the ranked choice voting logic is applied correctly. Once the logic and accuracy are satisfactorily demonstrated, tabulation, followed by ranking will commence. In the event of a necessary recount, which should be one half of one percent for any candidate to achieve the 15% threshold, or one half of one percent for the top finisher, a sample recount by hand-counting 1% of the ballots will be completed, followed by a machine recount of those same ballots. If the results demonstrate machine accuracy, the ballots will be tabulated again upon request. Demonstrated failure of the machines to accurately tabulate will result in a hand recount.

2. Members of the Convention Standing Committees need not be delegates or alternates to the 2024 Democratic National Convention. *(Call VII.A.3)*
3. These members will be selected in accordance with the procedures indicated below. *(Rule 1.G)*

B. Standing Committee Members

1. Selection Meeting
 - a. The members of the standing committees shall be elected by a quorum of Hawai'i's National Convention delegates, at a meeting to be held on Sunday, May 26, 2024 at the conclusion of the State Central Committee meeting where the PLEO, at-large delegates, and at-large alternates will be selected. *(Call VII.B.1)*
 - b. All members of the Hawai'i's National Convention delegation shall receive adequate notice of the time, date and place of the meeting to select the standing committee members. *(Call VII.B.1)*
2. Allocation of Members
 - a. The members of the standing committees allocated to Hawai'i shall proportionately represent the presidential preference of all candidates (including uncommitted status) receiving the threshold percentage used in the state's delegation to calculate the at-large apportionment pursuant to Rule 14.E. of the Delegate Selection Rules. *(Call VII.C.1 & Reg. 5.9)*
 - b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Hawai'i. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential

Hawai'i 2024 Delegate Selection Plan

preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (*Call VII.C.2*)

- c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (*Call VII.C.3*)
 - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. (*Call VII.C.4*)
3. Presidential Candidate Right of Review
 - a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members. (*Call VII.D.1*)
 - b. Each presidential candidate, or that candidate's authorized representative(s), must submit to the State Democratic Chair, by Sunday, May 26, 2024, 30 minutes after the selection of the at-large delegates by the State Central Committee of the Democratic Party of Hawai'i, a minimum of one (1) name for each slot awarded to that candidate for members of each committee. The Hawai'i National Convention delegation shall select the standing committee members from among names submitted by the presidential candidates (including uncommitted status). (*Rule 6.1 & Reg. 4.10*)

Hawai'i 2024 Delegate Selection Plan

- b. The first binary gender position on each standing committee shall be assigned by binary gender as self-identified. For example, the first binary position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a male, and the next binary position, if one occurs, will be designated for a female, and the remaining binary positions, to the extent they occur, shall be designated in like fashion, alternating between males and females, where applicable. For avoidance of doubt: there is no requirement that positions be assigned to gender non-binaries but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.
 - (1) A separate election shall be conducted for membership on each standing committee.
 - (2) The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; the variance between men and women in any committee and among the three committees in aggregate shall not exceed one. *(Call VII.E.2)*
 - (3) Gender non-binary committee members shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided between male gender (men) and female gender (women). *(Call VII.E.1)*

B. Representation Goals

1. The Democratic Party of Hawai'i has determined the demographic composition of Japanese, Filipino, Hawaiian/Pacific Islander, Chinese, Hispanic, other (multiple/mixed) ethnicity, and women in the Hawai'i's Democratic electorate. These constituency percentages shall be established as goals for representation in the Hawai'i's convention delegation. A letter will be sent to the DNC Rules and Bylaws Committee with the source of Hawai'i Democratic voter targeting so that the constituencies of the state are properly represented. *(Rule 5.C & Rule 6.A)*
2. In cooperation with the Democratic National Committee, the Democratic Party of Hawai'i has determined the demographic composition of members of the LGBTQ+ community, people with disabilities, and youth in the state's Democratic electorate. Hawai'i Democrats Finalize 2024 Delegate Selection Plan

HONOLULU - The State Central Committee of the Democratic Party of Hawai'i (DPH) adopted the 2024 Hawai'i Delegate Selection Plan on Saturday, April 22, 2023. This plan outlines the party-run presidential primary and process for selecting delegates to the 2024 Democratic National Convention to be held in Chicago on August 19-22, 2024.

The party-run primary will determine what percentage of the state's delegates will be allotted to each qualifying Democratic presidential candidate. The selection of the delegates begins at the Democratic Party of Hawai'i State Convention in May of 2024.

The Democratic Party of Hawai'i held off on announcing the approval of the party-run version of the plan publicly as pending legislation for a state-run presidential primary was moving through the legislature. When both houses could not reach consensus by the end of the legislative conference period on April 28, a state-run presidential primary for 2024 was rendered impossible.

With a state-run process now out of the question, the Democratic Party of Hawai'i is moving forward with the process it used in 2020.

"We are living in challenging times. Our democracy is being challenged by people who question the integrity of the electoral process," said Dennis Jung, Chair of the Democratic Party of Hawai'i. "For this reason, we seek to offer the people of Hawai'i a transparent process and give all our people the opportunity to join the Democratic Party and to help select the next President of the United States. Each vote is important. We want to give every voter a chance to cast a ballot and make a difference."

Once again, the Democratic Party of Hawai'i will utilize vote-by-mail with in-person voting on April 6, 2024. The Party may choose to offer ranked choice voting as it did in 2020 depending on the number of candidates seeking the Democratic nomination. Same day voter and party registration will be available at in-person polling sites across the state.

Details and updates can be found on the state party website at hawaiidemocrats.org. Hawai'i voters can become eligible voting members of the Democratic Party of Hawai'i by enrolling online at hawaiidemocrats.org/join.

The 2024 Hawai'i Delegate Selection Plan will be transmitted to the Democratic National Committee for review and final approval.

James Roosevelt, Jr. and Minyon Moore, Co-chairs
Rules and Bylaws Committee,
Democratic National Committee

Dear Jim Roosevelt and Minyon Moore,

I, Dennis Jung, State Chair of the Democratic Party of Hawai'i, in compliance with Rule 1.C and Regulations 2.2.C, 2.2.E, and 2.2.F, hereby certify that the 2024 Hawai'i Delegate Selection Plan (DSP), including necessary attachments and appendices were published on the Democratic Party of Hawai'i website at www.hawaiidemocrats.org for a 30 day public comment period March 10 through April 9, 2023. Public comments were taken into consideration, and the updated draft was adopted as amended at the properly noticed State Central Committee meeting on April 22, 2023.

As there was pending legislation for a state-run presidential primary at the time, and since then that legislation died in conference without consensus, the dates on this letter of certification and the DSP adoption press release are notably delayed with cause.

Mahalo,

Affirmative action report.

Chair Daphne Barbee Wooten

The affirmative action committee is composed of Camonia Long, Daphne Barbee Wooten, Jim Diegel, John Bickel, Barbara Dalton (HCC Chair), Nicky Watts, Leon Boloson, Claire Carrol, Stephanie Ohigashi (M Chair), John Bickel, Kellie Cruickshank, Kenneth Farm, Anthony “Tony” Nagatani, Lorna Takehara Strand (OCC Chair), Jean Iida and Steven Nishimura (KCC Chair). These names have been submitted to Chair Dennis Jung for approval.

The Affirmative Action Committee met on February 15, 2023 and March 2, 2023.

Stephanie Ohigashi and myself prepared a survey which was distributed to all Democrat leadership in Hawaii. Attached is the survey and results. If you have not completed the survey please do so right away so that we can have an accurate picture of our demographics. We request that the survey be completed by all Democrats and we’ll ask that everyone attending the convention complete the survey.

The affirmative action report is attached along with survey results. Based upon the result which we see a need for more diversity in our ranks. Focusing on the 0% to 1% ethnicity as found in the results, there needs to be more Outreach and inclusion of the following: African Americans. Native American/Indigenous. Pacific Islanders. Micronesian, Fijian. According to survey there is 0% Samoans Islanders included in our demographics. Asian Americans Hmong, Indian Korean Malaysian, Filipino Chinese, Taiwanese, Vietnamese. Hispanic Mexican-Americans, Puerto Rico and Dominican and other Central American and South Americans ,Portuguese. In making the affirmative action plan week the surveys of Democratic Leadership and we looked at the OCC survey from 2022 which also showed disparity and Pacific Islanders not Hawaiian, Asian specified, black African American, Korean and Hispanic. Youth should be priority for outreach, defined as someone under 36. We urge Outreach and inclusion with a specific target for these underrepresented groups. Outreach and inclusion ideas have been itemized in our report. There are many ways to do Outreach for inclusion. We can reach out to organizations such as NAACP, Micronesian Associations, Samoan Associations, colleges, and University of Hawaii, Colleges and schools.

During Black History Month, February 2023, there was Outreach in attending the Honolulu African-American Film Festival (HAAFF) and at a black history presentation in Kahuku Library. Black History Month Film Festival involved panel discussions on the necessity to vote and on housing discrimination. The film Lowndes County which was about fighting for the right to vote in Lowndes County, Alabama which was 80% black had no black representatives in 1965. I brought voter registrations documents and told people who weren’t registered to vote to see me.

OCC chair Lorna Strand was present along with Rep. Della Au Bellati at the African American Film Festival. We urge more Democrats to be socially active and engaging with various youth groups and other groups to urge involvement in Hawaii Democratic party.

2024 DSP Public Comments

On page 44, it shows the percentage goals. I believe 6% for LGBTQIA+ is low. At least 10% would be more representative for Hawaii. Also, I assume that veterans are only considered if they also happen to be disabled.

Comments relating to 2024 DPH Delegate Selection

After review of the 2024 DPH Delegate Selection Plan, I would like to offer following comments:

- General comment: Should signed pledges of support for presidential candidates be due (5/9/24) before the results of the PPP (Election Day 4/6/24)?
- General Comment: Usage of the wording “Failure to respond” conveys failure, whereas stating something along the lines of “If no response is received...” accounts for the fact that the candidate must not respond if there is no response required to approve delegates. Example: Page 25, 3(c)
- Page 16, 3(c): Should the table account for agender and non-binary delegates or alternates?
 - c. The district-level delegates are apportioned to districts as indicated in the following table, assuming no gender non-binary delegates or alternates:

| District | Delegates | | |
|----------|-----------|---------|-------|
| | Males | Females | Total |
| #1 | 4 | 3 | 7 |
| #2 | 3 | 4 | 7 |
| Total | 7 | 7 | 14 |

- Page 18, 5(e): Grammar - looks like the word “candidates” is repeated
 - e. The State Chair of the Democratic Party of Hawai‘i shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective pledged district-level delegate candidates candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates and district-level alternate candidates as indicated in Section III.A.5.b of this Plan. (Rule 6.1 & Reg.4.10.C)

- Page 21, B,2: Should this be updated to reflect agender and non-binary persons?
 2. For purposes of achieving equal division between delegate men and delegate women and alternate men and alternate women within the state's entire convention delegation (determined by gender self-identification), the entire delegation includes all pledged and automatic delegates, including those who identify as male or female. *(Rule 6.C and Reg. 4.9)*
- Page 23, 4,c(2): Formating, looks like there is an extra space (see also page 27, 5,b(2))
 - (2) State Central Committee members who represent state senatorial districts will be selected through open processes in conformity with the basic procedural guarantees utilized for delegate selection. Any member of the Democratic Party of Hawai'i can become a candidate, except if a member has resigned from the Party in the two (2) years prior to re-enrollment in the Democratic Party of Hawai'i, the re-enrolled member must be a member in good standing for one (1) year before the next election prior to being elected Party Chair or for election to the State Central Committee. The State Chair must be a member for at least one (1) year. The election of members to the State Central Committee is conducted at the Hawai'i State Convention to which the delegates have been elected by members in equally apportioned state house districts, and county representatives who were elected at their respective county conventions. *(Rule 10.B.2 & Reg. 4.18.B)*
- Page 24, 4,c(4): Should this be amended for the possibility to account for non-binary and agender persons? (See also page 27, 5,b(4))
 - (4) State Central Committee members who represent state senatorial districts comply with equal division requirements of Article 9, Section 16 of the Charter of the Democratic Party of the United States. Senatorial districts representation of the State Central Committee of the Democratic Party of Hawai'i is composed of one (1) male and one (1) female representative. *(Rule 10.B.3, Rule 10.B.5 & Reg. 4.18.C)*

- Page 28, 5,d(3): Should non-binary and agender persons be listed? See also page 47, E(4)
 - (3) The election of at-large delegates shall be used, if necessary, to achieve the equal division of positions between men and women as far as mathematically practicable, and may be used to achieve the representation goals established in the Affirmative Action Plan and Outreach and Inclusion Program section of this Plan. The election of at-large alternates shall be used, if necessary, to achieve the equal division of positions between men and women as far as mathematically practicable, and may be used to achieve the representation goals established in the Affirmative Action Plan and Outreach and Inclusion Program section of this Plan. *(Rule 6.A, Rule 6.C and Reg. 4.9)*

- Page 32, B,4(a): Should there be reference on how to divide between binary, non-binary and agender persons? What if we have 2 males, one female and one non-binary person? Page 33, B,4,b(3) explains it, should that be alluded to in B,4(a)? Can adopt the language used for Convention Pages on page 35, C,2
 - 4. Selection Procedure to Achieve Equal Division
 - a. Presidential candidates (including uncommitted status) shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve Hawai'i's affirmative action, outreach and inclusion goals and that their respective male and female members are equally divided between the men and women determined by gender self-identification. *(Rule 6.1 & Reg. 4.10)*

- Page 39, C: Non-binary people should be counted as a gender, so maybe the language could be updated to reflect that? Right now it seems to speak to agender individuals perhaps? Maybe instead of men and women and non-binary, we could simply say by "self-identified" gender identity?
 - C. Hawai'i's delegation shall be equally divided between delegate men and delegate women, and alternate men and alternate women, i.e. the number of men and women shall not vary by more than one. Such goal applies to the entire delegation, which includes all pledged delegates and alternates and all automatic delegates. Delegates and alternates shall be considered separate groups for purposes of achieving equal division as determined by gender self-identification. In the case of gender non-binary delegates or alternates, they shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided by gender. *(Rule 6.C)*

- Page 43, 2,d(4): should all protected classes be listed? See also page 43, B,(1) - LGBTQIA?

(4) Ensuring, on behalf of the Democratic Party of Hawai'i, that district lines used in the delegate selection process are not gerrymandered to discriminate against African Americans, Hispanics, Native Americans, Asian Americans and Pacific Islanders and women. *(Rule 6.E)*

- Page 44: The minimum percentage of LGBTQIA+ delegates should be increased from 6% to 11% on page 44 of the plan. An official letter from the Stonewall Caucus to the Committee with the documentation of data supporting this increase is forthcoming.

- Page 48, F(4): Is there an outreach plan for the LGBTQIA community? I do see John Bickel listed as LGBTQ+ in the State Affirmative Action Committee.

4. Plan for Outreach and Inclusion:

In addition to the education, publicity and other steps described above, the Affirmative Action Committee of the Democratic Party of Hawai'i will reach out to organizations such as the NAACP (for African Americans), University of Hawai'i (for youth), Samoan clubs and organizations, churches, Micronesian associations, Pacific Islander associations, organizations, fairs, pow wows, film festivals, meetings put on by inclusion and outreach targeted minority constituencies, Martin Luther King Jr, Pride, Kamehameha Day, and other parades. The Affirmative Action Committee will complete outreach in high schools and college campuses by tabling where available providing food, conversation, voter registration, and Party enrollment.

- Attachment B.5.b has very limited information regarding affirmative action outreach efforts for the LGBTQ+ community:

Additionally, the Party will specifically purchase advertising space to run advertisements in the Fil-Am Voice and Ka Wai Ola in order to help reach two traditionally underrepresented populations. The Party will also contact community organizations, such as labor unions, local LGBTQ+ organizations, and local organizations of people with disabilities to invite them to share content about the PPP and DSP in their routine publications.

- Attachment C.1: I can't really comment if this is a realistic fundraising plan without seeing historical data around fundraising activities.

The number of delegates to fill the 14 District Level Delegates and 5 At-Large Delegates should reflect more than the suggested ratio for the underrepresented constituency found on Page 44. The chart on Page 44 indicates that 12% of the Delegates be of Hawaiian/PI descent; 9% be of Filipino descent; 50% be women; and 6% of LGBTQIA+. We feel that these underrepresented group ratios should be increased as greater representation is necessary to make a genuine impact for these underrepresented groups. Other groups, such as the Japanese and Caucasian groups are well represented in the Legislature, the Congressional Delegation, and as pledged PLEO Delegates that their ratios found on the Page 44 graph should be decreased. Currently, their ratios are 23% for Japanese and 32% for Caucasians. These ratios can be decreased when considering the 14 District Level Delegates and 5 At-Large Delegates as representation of these groups are well covered as pledged PLEO Delegates and other delegates automatically appointed based on their official status.

On defining the motivations of the Affirmative Action Plan and Goal:

As I understand it, the aspiration of affirmative Action is not simply to level with the status quo, but rather to strive to favor the underrepresented and disenfranchised.

In order to align ourselves with this theory, it is important to refer to the standards set by the DNC:

"The promises of a democratically elected government and the right to vote have not always been extended equally to all Americans. Historically, certain groups of Americans have been explicitly denied the right to vote or have been subjected to discriminatory and exclusionary practices with the intended effect of denying them voting rights. In recognition of this past history of discriminatory denial of the 2024 Delegate Selection Rules for the Democratic National Convention 8 franchise and in order to encourage full participation by all Democrats in the delegate selection process and in all Party affairs, the national and state Democratic Parties shall adopt and implement affirmative action programs with specific goals and timetables for African Americans, Hispanics, Native Americans, Asian Americans and Pacific Islanders and women."

Thus, we feel the number of delegates to fulfill the quota should reflect more than the suggested ratio for the underrepresented constituency, as found on Page 44.

On increasing the Goal for women:

Though women count for half of the Hawai'i Democrat party membership, women have been underrepresented historically in terms of suffrage years and wage discrepancies compared to their male counterparts. I propose that the Goals on page 44 should reflect a ratio of years of being denied the right to vote, and also with consideration of the fact that women earn 20% less than men.

On Decoupling Native Hawaiian and Pacific Islanders,

In order to give both oppressed communities a fair advantage:

As we reside here on ill-gotten land, nearly half of the Kānaka Maoli population live on the mainland. Native Hawaiians are overrepresented in homelessness. Nearly half of the homeless population in Hawai'i are of Hawaiian descent.

<https://asamnews.com/2023/02/04/homeless-protest-unsanctioned-action-6-homeless-sheltered/>

<https://www.hawaiinewsnow.com/2023/01/23/high-cost-living-continues-drive-more-native-hawaiians-out-state/>

<https://www.civilbeat.org/2022/08/fewer-native-hawaiian-men-are-going-to-college-the-repercussions-may-last-generations/>

Thus, I feel the Goal for selecting Hawaiians for delegate selection be increased, as greater representation is necessary to make a genuine impact for this underrepresented group.

Moving forward, I hope we can be diligent about collecting careful data on the demographics of the State and the Party in the coming years, in order to more accurately set our goals for the Delegate Selection Plan according to the Affirmative action Plan

Thank you for your consideration.

ELECTORAL COLLEGE

When voters cast their vote for president and vice president, they are actually casting a vote for the slate of electors who has pledged their support for those candidates. In Hawaii, the names of the candidates for president and vice president are used on the general election ballot in place of the electors' names. The votes cast for president and vice president determine which electors meet for Electoral College. The Electoral College is a body of electors who meet every presidential election to elect the next president and vice president of the United States. Pursuant to the Electoral Count Reform Act of 2022, the Electoral College will meet on the first Tuesday after the second Wednesday in December.

The Electoral College will be held on **December 17, 2024, 2:00 p.m.**

There are **538 electors** nationwide in each presidential election, which is equal to the total voting membership of the United States Congress. This is made up of 435 United States Representatives, 100 United States Senators, and 3 electors from the District of Columbia. The number of electors that each state receives is based on the size of the state's population. Population numbers are obtained through census, which is conducted every 10 years. Each state is allocated a number of electors equal to the number of its U.S. Senators and U.S. Representatives. **Hawaii has four (4) electoral votes.**

The chosen electors gather at the Electoral College in their respective states to cast their votes for president and vice president. The votes cast at the Electoral College are sent to the President of the Senate who reads them before a joint session of Congress on January 6 following the general election. The presidential ticket with the majority of votes is declared president and vice president.

If no candidate receives a majority of electoral votes (i.e. 270 out of 538), the U.S. House of Representatives elects the president from the three (3) presidential candidates who received the most electoral votes. Each state delegation has one (1) vote. The U.S. Senate elects the vice president from the two (2) vice president candidates with the most electoral votes. Each U.S. Senator casts one (1) vote for vice presidential. If the U.S. House of Representatives fails to elect a president by Inauguration Day, the vice president elect serves as acting president until the deadlock is resolved in the U. S. House of Representatives.

Selection of Electors

Qualified political parties and parties or groups that complied with the presidential petition requirements of HRS §11-113 shall submit to the chief election officer its electors and alternates, after holding a state party or group convention pursuant to the constitution, bylaws, and rules of the party or group.

Members of Congress and employees of the federal government are prohibited from serving as an elector in order to maintain the balance between the legislative and executive branches of the federal government.

For more information about the Electoral College, please visit the [National Archives and Records Administration](#) or refer to U.S. Constitution, Article II, and HRS §11-113 and Chapter 14.

§11-113 Presidential ballots. (a) In presidential elections, the names of the candidates for president and vice president shall be used on the ballot in lieu of the names of the presidential electors, and the votes cast for president and vice president of each political party shall be counted for the presidential electors and alternates nominated by each political party.

(b) A "national party" as used in this section shall mean a party established and admitted to the ballot in at least one state other than Hawaii or one which is determined by the chief election officer to be making a bona fide effort to become a national party. If there is no national party or the national and state parties or factions in either the national or state party do not agree on the presidential and vice presidential candidates, the chief election officer may determine which candidates' names shall be placed on the ballot or may leave the candidates' names off the ballot completely.

(c) All candidates for president and vice president of the United States shall be qualified for inclusion on the general election ballot under either of the following procedures:

(1) In the case of candidates of political parties that have been qualified to place candidates on the primary and general election ballots, the appropriate official of those parties shall file a sworn application with the chief election officer not later than 4:30 p.m. on the sixtieth day prior to the general election, which shall include:

- (A) The name and address of each of the two candidates;
- (B) A statement that each candidate is legally qualified to serve under the provisions of the United States Constitution; and
- (C) A statement that the candidates are the duly chosen candidates of both the state and the national party, giving the time, place, and manner of the selection; and

(2) In the case of candidates of parties or groups not qualified to place candidates on the primary or general election ballots, the person desiring to place the names on the general election ballot shall file with the chief election officer not later than 4:30 p.m. on the ninetieth day prior to the general election:

- (A) A sworn application that shall include the information required under paragraph (1)(A), (B), and (C), where applicable; and

(B) A petition that shall be upon the form prescribed and provided by the chief election officer containing the signatures of currently registered voters which constitute not less than one per cent of the votes cast in the State at the last presidential election. The petition shall contain the names of the candidates, a statement that the persons signing intend to support those candidates, the address of each signatory, the date of the signer's signature, and other information as determined by the chief election officer.

Prior to being issued the petition form, the person desiring to place the names on the general election ballot shall submit a notarized statement from each prospective candidate of that prospective candidate's intent to be a candidate for president or vice president of the United States on the general election ballot of the State of Hawaii. The statements by a prospective candidate for vice president may be withdrawn by that prospective candidate and an alternative candidate for vice president may be substituted any time prior to the notification of qualification or disqualification provided in subsection (d). Any substitutions shall be accompanied by a notice of substitution satisfying subparagraph (A), a statement of intent as required by this paragraph, and a letter by the candidate for president endorsing the substitute candidate for vice president. Upon receipt of a notice of substitution and all other required documents, the substitute shall replace the original candidate for vice president on the general election ballot. The petitions issued in the names of the original candidates will remain valid for the purposes of this section.

(d) Each applicant and the candidates named, shall be notified in writing of the applicant's or candidate's eligibility or disqualification for placement on the ballot not later than 4:30 p.m. on the tenth business day after filing. The chief election officer may extend the notification period up to an additional five business days, if the applicants and candidates are provided with notice of the extension and the reasons therefore.

(e) If the applicant, or any other party, individual, or group with a candidate on the presidential ballot, objects to the finding of eligibility or disqualification the person may, not later than 4:30 p.m. on the fifth day after the finding, file a request in writing with the chief election officer for a hearing on the question. A hearing shall be called not later than 4:30

p.m. on the tenth day after the receipt of the request and shall be conducted in accord with chapter 91. A decision shall be issued not later than 4:30 p.m. on the fifth day after the conclusion of the hearing. [L 1970, c 26, pt of §2; am L 1973, c 217, §1(ff); am L 1977, c 189, §1(8); am L 1983, c 34, §14; am L 1993, c 304, §6; am L 2011, c 143, §2]

Attorney General Opinions

General election presidential ballots shall contain the candidate's party or group affiliation along with the candidate's name, regardless of whether the party is qualified under §§11-61 and 11-62. Att. Gen. Op. 13-2.

Case Notes

Independent candidates for president denied access to State's ballot for the 2004 election appealed district court's holding that relevant provisions governing access do not violate the First and Fourteenth Amendments or the equal protection clause; district court's holding that the presidential ballot access scheme is constitutional, affirmed. 620 F.3d 1214 (2010).
